TXN-0 One-Pager

The transaction that never happened.

Mission

To create a symbolic space for traders and holders to reflect on past crypto losses, transforming emotional pain into a participatory, ironic token narrative.

Tokenomics

- Total Supply: 10,000,000,000 TXNF

- Owner Allocation: 25% (10% locked for 3 months)

- Airdrop Allocation: 10% (Proof of Loss submissions)

- Liquidity Pool: 65% (locked on PinkLock for 6 months)

- Contract Address: 0xcb81CB9F47C70f88A6EebD007e31f9c27b3bd9b1

Core Principles

- No Presale, No Public Sale: Fully stealth launch.

- Fully Community-Driven: No official team or backing entity.

- Minimalism and Transparency: Locked liquidity and public flows.

- Narrative-First: Not a utility or DeFi token, but a symbolic artifact.

Airdrop Mechanism (Proof of Loss)

Participants can submit crypto loss stories using this Google Form:

https://forms.gle/b1ZTnwVi1ZcN5DJn6

Verified submissions receive TXNF tokens from the airdrop wallet.
